Subject: Annual Report Notice for Infiniwiz-(BMAR-2019-1148)

Section 392.550.3(7)(C)RSMo requires companies providing IVoIP service to submit, as part of their annual reports, the number of customers or lines served in each exchange, and requires the Commission to maintain such information as proprietary and not available to the public. The document(s) you previously submitted contains information regarding the number of customers or lines served in your exchange(s) and as public information. The Commission has changed the designation of the public version to non-public to keep the line counts proprietary.

Please resubmit both a public and non-public version of your annual report **in its entirety** within the Missouri Commission's Electronic Filing and Information System (EFIS) using the identification number(s) in the subject of this email. Please ensure a revised annual report is filed within EFIS for each certificate/registration held by the company.

Annual report instructions can be found at this [link](#).

This deficiency must be resolved within the next 20 days. Failure to respond and adequately resolve the deficiency by this deadline may result in punitive action against the company.

Thanks,

Kari Salsman | Missouri Public Service Commission | 573-526-5630
