Subject: MCI WorldCom Network Services Inc 2004 Missouri PSC Annual Report

Thank you for submitting the 2004 Interexchange Telecommunications Carrier Annual Report to the Missouri Public Service Commission. I have reviewed the report and according to our records the responses to page 1, question 2 are different than our records. This is due to a change in procedure by our data center. In the future this question will ask for last effective tariff date and case number. I just wanted to make you aware of this for next year's report. The latest effective date is 11/30/99 and the associated case number is TM-99-0588. This was a merger case.

The above items are for informational purposes only and DO NOT REQUIRE A COMPANY RESPONSE, however, if you have any questions, please feel free to contact me.

Sincerely,

Lisa K. Hanneken
