RE: 2003 Annual Report Deficiencies

Dear Mr. Green:

I have reviewed the Nations Tel, Nations Broadband, Inc. and Nations Broadband Inc. dba Nations Tel annual report forms submitted to the Commission. As a result of my review I have identified several deficiencies that need to be corrected:

1. Nations Tel was decertificated on April 22, 2002 in case number TO-2002-454 and therefore did not need to submit a 2003 interexchange telecommunications carrier annual report to the Missouri Public Service Commission.
2. Nations Broadband, Inc. was certificated in the same case mentioned above. This case recognized the name change from Nations Tel to Nations Broadband, Inc. Please include April 22, 2002 and case number TO-2002-454 in future annual report submissions.
3. Our records do not indicate that the Commission has approved a certificate for Nations Broadband, Inc. dba Nations Tel. Therefore a 2003 annual report was not required. In future years, as currently certificated, only an annual report for Nations Broadband, Inc. is required.
