

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of Bandwidth.com CLEC, LLC 's)	<u>File No. IT-2010-0127</u>
Filing to Introduce Its Access Services Tariff)	Tariff No. JL-2010-0254

STATUS REPORT

COMES NOW Bandwidth.com CLEC, LLC ("Bandwidth"), through undersigned counsel, and submits this Status Report pursuant to the Commission's *Order Directing Filing of Status Report* issued on March 29, 2010.

Bandwidth had previously extended the effective date of its proposed tariff in this matter until May 3, 2010. Discussions among Bandwidth, AT&T Missouri and Staff have continued and agreement in principle has been reached. Bandwidth expects to be able to file a tariff later this week that reflects changes agreed to by the parties and to which AT&T will have no objection. Once filed, if Staff requires additional time to review the revised tariff, Bandwidth will extend the effective date to afford sufficient time for Staff's review. However, Bandwidth believes it may be possible to achieve agreement and approval before the current effective date of May 3, 2010.

Undersigned counsel has contacted counsel for AT&T and Staff regarding this matter. They concur in this Status Report.

WHEREFORE, Bandwidth.com CLEC, LLC respectfully requests the Commission accept this Status Report and take no further action in this matter until requested by one or more parties.

Respectfully submitted,

/s/ William D. Steinmeier
