**Subject:** Annual Report Deficiency for Zito Missouri-Kansas, LLC (BMAR-2017-1500)

This email is a deficiency notice for your annual report. Your annual report is considered deficient until the following issue(s) are addressed.

- If a company provides only IVoIP service, the company is required to submit customer line counts (Form Page 5) as Proprietary. Please follow the [instructions](#) for filing confidential versions. The company must submit a public and non-public version. The Commission has changed the designation of the public version to non-public to keep the line counts proprietary.

Please resubmit your revised annual report in its entirety if your annual report needs to be revised to correct the deficiency. Any revised annual report/response must be filed within the Missouri Commission's Electronic Filing and Information System (EFIS) using the identification number(s) in the subject of this email. Please ensure a revised annual report/response is filed within EFIS for each annual report filed within EFIS. For instance if your company holds more than one certificate or registration then an annual report is filed within EFIS based on each certificate or registration held by a company.

This deficiency must be resolved within the next 20 days. Failure to respond and adequately resolve the deficiency by this deadline may result in punitive action against the company.
