

Interoffice
MEMORANDUM

To: File

From: David A. Meyer 
Senior Counsel

Subject: Pelzer Communications Corporation 2006 annual report status

Date: June 22, 2007

FILED³

JUN 22 2007

Missouri Public
~~Service~~ Commission

This company received its certificates in Case No. CA-2007-0109, effective 11/4/06 (CLEC) and XA-2007-0110 (IXC), effective 11/5/06. They were my cases.

The IXC tariff went into effect on November 5, 2006. The CLEC tariff went into effect December 29, 2006.

Thus, the company had authority to provide basic local service in Missouri for no more than one business day in 2006. It could provide intrastate, interexchange service in Missouri for no more than eight weeks.

They submitted a statement of revenue reporting no business, no revenues.

Based on this information, the failure to submit an annual report for 2006 is reasonable, and I do not plan to bring a complaint for the company's failure to submit it.
