Missouri Public Service Commission 2007 Annual Report Excel Form & EFIS Instructions

Questions about the annual report form or its contents may be submitted to: Joan Wandel at (573) 751-4785 or by e-mail at joan.wandel@psc.mo.gov. The completed document should be submitted under EFIS (accessible from the Commission's web page (<http://www.psc.mo.gov>)) or mailed to: Data Center, Missouri Public Service Commission, 200 Madison Street, Suite 100, Jefferson City, MO 65101 (or P.O. Box 360, Zip 65102-0360).

This report is due on or before April 15th and is required to be filed on a calendar year basis pursuant to the Commission rules at 4 CSR 240-3.540. Failure to timely file this report could result in penalties up to \$100 for every day the report is late pursuant to Section 392.210, RSMo., and/or Section 393.140, RSMo.

- The files are "read only". You must save or copy the files to your hard drive or a diskette in order to input information into the annual report form.
- When you enter the company name and annual report year on the "cover", the same information will be automatically populated on all the pages of the annual report. The company name listed on the cover page should include any commission approved AKA/DBA/Fictitious Name, if applicable. In addition, the company's name should be clearly identified throughout each page of the report, in the spaces provided and should be identical to the name shown on the cover page.
- If additional space is needed for entering information on a specific page, please insert a page and copy the existing page template.
- If the document has been prepared by a third-party preparer, it is the responsibility of the company personnel attesting to the accuracy of the document to review the document before submission to the Missouri Public Service Commission.
- After the annual report is completed, save the file, print the form and prepare for mailing or electronically submitting through EFIS, as a non-case related submission.

Requests to submit annual report data under seal:

Utilities may request classification of selected portions of their annual report as non-public (highly confidential / filed under seal) pursuant to the Commission rules at 4 CSR 240-3.540. Please note that all information classified as non-public will still remain subject to potential disclosure as provided under the Missouri open records act (Chapter 610 RSMo) and Section 386.480, RSMo.

In order to take advantage of this procedure, the submitter, either through EFIS or in hard copy form, must:

- A.** Provide both a fully completed version to be kept under seal and a redacted public version that clearly informs the reader that the redacted information has been submitted under seal. The cover of each version must clearly identify whether it is the public or the non-public version. Each page of each version of the report containing non-public information should be clearly identified as containing such information.

- B.** Submit both versions of the annual report with a cover letter stating that the utility is designating some or all of the information in its annual report as confidential information, including the name, phone number and e-mail address (if available) of the person responsible for addressing questions regarding the confidential portions of the annual report.
- C.** Prominently attach a detailed affidavit to both versions that identifies the specific types of information to be kept under seal, provides a reason why the specific information should be a closed record, and stating that none of the requested information is available to the public in any format.

Instructions for completing the Competitive Local Exchange Carrier (CLEC) Exchange Access Lines Report (Residential)

A. Instructions for Section A: Local Voice Service and IVoIP Service.

Use these columns to report exchange access lines used to provide local voice service, as defined by 392.245.5(3) RSMo, and interconnected VoIP service, as defined by 47 CFR 9.3, if the end user's rates for these services are set by the filer. Lines should include all analog and digital (whether circuit switched or packet switched) exchange lines and Key/PBX trunk facilities connecting end users to the Public Switched Telephone Network. Do not use these columns for any exchange access lines used for interconnected VoIP service provided to another carrier.

B. Instructions for Section B: Other.

Use these columns to report exchange access lines provided on a wholesale basis to a non-certificated carrier providing interconnected VoIP service. Do not report lines in Section B if the filer of this annual report provides interconnected VoIP service or local voice service whereby the filer sets the end user's rates for the service; instead report such lines in the appropriate column in Section A.

Page 5(a) Definition: Exchange Access Lines

Exchange Access Lines refers to analog or digital lines used in the provisioning of local voice service or interconnected VoIP service. For DS-1 or higher band-width facilities, whether circuit or packet switched, a voice grade equivalency must be used. For channelized service, report the number of channels subscribed to by the customer. For example, a fully configured DS-1 facility is be counted as 24 voice-grade equivalent lines. For partially equipped DS-1 facilities, count only the number of channels actually subscribed to by the end user. For non-channelized facilities, filers are instructed to use a good-faith estimate of the number of voice grade equivalent lines used for voice communications.

Page 5(a) Column A: Exchange

Exchange refers to exchange names as provided in an incumbent local telephone company's tariff. Rate centers, wire centers, or central offices are not always the same as exchanges.

Page 5(a) Columns B, C, D, E: IVoIP Service

IVoIP Service refers to "Interconnected VoIP service" as defined in 47 CFR 9.3.

Page 5(a) Column B: Full Facility

Full Facility refers to arrangements where your company or an affiliate owns the switch and the local loop.

Page 5(a) Column C: Partial Facility

Partial Facility refers to arrangements where your company or an affiliate owns either the switch or the local loop.

Page 5(a) Column D: Other Resale

Other Resale refers to arrangements where your company leases facilities from an ILEC at a negotiated or arbitrated rate that is not simply a discount off the ILEC's tariffed rate. Examples include UNE-P arrangements, arrangements purchased via a commercial agreement.

Page 5(a) Column E: Pure Resale

Pure Resale refers to arrangements where your company leases facilities/services from the ILEC at a discount from the incumbent's tariffed rate.

Completion of Page 5(a) required only for CLEC companies.

**Instructions for completing the
Competitive Local Exchange Carrier (CLEC) Exchange Access Lines Report (Business)**

A. Instructions for Section A: Local Voice Service and IVoIP Service.

Use these columns to report exchange access lines used to provide local voice service, as defined by 392.245.5(3) RSMo, and interconnected VoIP service, as defined by 47 CFR 9.3, if the end user's rates for these services are set by the filer.
