Subject: ~~Annual Report Deficiency for Panasonic Corp. of North America (BMAR-2012-1640)~~

This email is a deficiency notice for your annual report. Your annual report is considered deficient until the following issue is addressed:

- The affidavit accompanying your company's annual report is incomplete.

Please resubmit your revised annual report in its entirety. Any revised annual report response must be filled within the Missouri Commission's Electronic Filing and Information System (EFIS) using the identification number previously supplied upon your initial annual report submission to the Commission. This id is typically BMAR-2012-XXXX. Please ensure a revised annual report/response is filed within EFIS for each annual report filed within EFIS. For instance, if your company holds more than one certificate or registration then an annual report is filed within EFIS base on each certificate or registration held by a company.

Please be aware that per Commission Rule 4 CSR 240-3.540(4) a company is required to respond 20 days of being notified of a deficiency in a company's annual report. Failure to respond within 20 days may subject the company to a penalty of \$100 per day that it is late in filing a response to the deficiency.
