RE : Adoption of Southwestern Bell M2A Interconnection Agreement
by Steve's Wildcat Web, Inc.

Dear Secretary:

Enclosed for filing with the Commission please find the cover sheet and an original of the signature page of the Missouri 271 Interconnection Agreement ("M2A") between Southwestern Bell Telephone L.P. d/b/a SBC Missouri ("SBC") and Steve's Wildcat Web, Inc. (Steve's). Steve's has adopted the M2A in its entirety. The agreement was executed by Steve's on August 24, 2004. There are no outstanding issues between the parties that need the assistance of mediation, arbitration or review by the Commission. Implementation of this Agreement is consistent with the public interest, convenience and necessity and does not discriminate against any telecommunications carrier. Steve's understands that this agreement will be considered approved when filed. Steve's and SBC have also entered into two Amendments, an original of each of which is also filed herewith. The first Amendment is the Missouri ISP-Bound Traffic Intercarrier Compensation Plan. The second is the Line Sharing Amendment.

Thank you for assistance in processing this filing. Copies are being served on the Commission's General Counsel, the Public Counsel, and counsel for SBC.

Please contact me at 634-8109 if there are any questions

Sincerely,

/s/ Mary Ann Young
