Re: Halo Wireless, Inc. v. Craw-Kan Telephone Cooperative, Inc. et al.
Case No. TC-2012-0331 – Notice of Supplemental Authority - Bankruptcy
Conversion Order

Dear Secretary of the Commission:

Southwestern Bell Telephone Company, d/b/a AT&T Missouri (“AT&T Missouri”), respectfully submits the attached Order in Halo’s Texas bankruptcy proceeding, issued July 19, 2012, converting the Chapter 11 case to a case under Chapter 7 of the Bankruptcy Code, as Supplemental Authority in current proceeding before the Missouri Commission in Case No. TC-2012-0331.

In addition to the conversion, the Court also directed the immediate appointment of a Chapter 7 trustee; ordered Halo to turn over to the trustee all records and property of the estate when requested by the trustee; and abated all matters pending in the bankruptcy case or in any adversary proceeding pending before the Bankruptcy Court until August 30, 2012.

The Court’s order, however, did not direct abatement of any of the pending proceedings outside of the Bankruptcy Court. Accordingly, the state regulatory proceedings, such as the Halo complaint case currently pending before the Missouri Public Service Commission, should proceed as scheduled.

Very truly yours,

Leo J. Bub
