Case No. EO-2013-0407

**SUPPLEMENT TO REPORT ON STAFF'S
THIRD AMEREN MISSOURI FAC PRUDENCE AUDIT**

COMES NOW the Staff of the Missouri Public Service Commission and supplements its Report on Staff's Prudence Review of Costs in the Fuel Adjustment Clause of Union Electric Company d/b/a Ameren Missouri, for the period June 1, 2011, through September 30, 2012, as follows:

1. When it submitted its fuel adjustment clause prudence report on August 28, 2013, for the period June 1, 2011 through September 30, 2012, for Ameren Missouri, Staff informed the Commission it had received detailed information regarding generating unit forced outages and the circumstances which caused the Callaway refuel 18 outage to be extended too soon before it filed its report to include Staff's analysis of that information in its report, but that Staff would supplement its report after reviewing that information.

2. Staff explains in its supplement to its report filed herewith that, based on its review of Ameren Missouri's responses to Staff Data Request Numbers 0056 and 0057 regarding generating unit forced outages and the circumstances which caused the Callaway refuel 18 outage to be extended during this prudence review period, Staff has still found no imprudence by Ameren Missouri in connection with its FAC for the period June 1, 2011, through September 30, 2012.

WHEREFORE, the Staff of the Missouri Public Service Commission hereby submits its supplement to its report on its prudence review of the costs and revenues associated with Ameren Missouri's Commission-approved fuel adjustment clause for the period June 1, 2011, through September 30, 2012.

Respectfully submitted,

/s/ Nathan Williams
