In the Matter of the Application of)

Of Electric Supplier.) Case No. EO-2008-0031

RESPONSE OF CUIVRE RIVER ELECTRIC COOPERATIVE INC.

COMES NOW Cuivre River Electric Cooperative Inc., by and through its attorneys of record Andereck, Evans, Milne, Widger, and Johnson, L.L.C., and for its Response TO Wasatch Investments, LC Application for Change of Electric Supplier, states as follows:

1. On August 1, 2007, Wasatch Investments, LC, (Wasatch) filed a verified application for change of electric supplier from Union Electric Company, d/b/a AmerenUE, to Cuivre River Electric Cooperative, Inc. (Cuivre).
2. Cuivre agrees that the property in question is within the certified service territory of AmerenUE and that AmerenUE is the proper provider of electric service at this location.
3. Nevertheless, Cuivre concurs with the request for provider of electric service so as to allow Cuivre to serve Wasatch.
4. Cuivre already has in place the necessary distribution lines running through this location thereby making the extension of service to Wasatch possible on a much faster schedule than AmerenUE can provide at this location.
5. Grant of the application will reduce wasteful duplication of electric distribution facilities by AmerenUE as Cuivre already has in place the necessary distribution lines and poles necessary to extend service to Wasatch.

WHEREFORE, Cuivre respectfully requests that the Commission grant
Wasatch's Application for Change of Electric Service Provider.

Respectfully submitted,
