Re: Case No. ER-2010-0036

Dear Mr. Reed and Judge Woodruff:

Accompanying this letter is *AmerenUE's Response to the Office of the Public Counsel's Motion for Summary Determination and Alternative Motion for Directed Verdict* (AmerenUE's Response).

AmerenUE's Response addresses important matters related to AmerenUE's pending request to implement interim rates, which have been the subject of recent discussions at the Commission's Agenda Meetings and which apparently will be the subject of additional discussion at the upcoming Agenda Meeting on Thursday, November 12. Specifically, AmerenUE's Response appears directly relevant to the following item posted on the November 12 Agenda:

Order Modifying Procedural Schedule For Consideration of Interim Rate Tariff  
and Order Directing the Parties to "Show Cause" Why Section 393.150.2 Is Not  
The Applicable Standard of Review

Because tomorrow, November 11, is a state holiday, and given the importance of the above-noted Agenda item and the pertinence of AmerenUE's Response to that Agenda item, we ask that you please bring this filing to the Commission's attention so that it may be considered in connection with the upcoming Agenda discussion.

A copy of this letter and AmerenUE's Response have been served on counsel for all parties of record in this case.

Messrs. Reed and Woodruff
