Re: Amendment to Interconnection Agreement between Southwestern Bell Telephone Company,
d/b/a AT&T Missouri and Granite Telecommunications, LLC (“CLEC”)

Dear Judge Woodruff,

AT&T Missouri and CLEC would like to advise, pursuant to 4 CSR 240-28.080(2), that they have entered into an Amendment to their current interconnection agreement that adopts amendments previously approved by the Commission.

The Amendment with the signature page, submitted with this letter, has incorporated terms and conditions substantially the same as those in the following previously-approved interconnection agreement amendments:

<u>Subject</u>	<u>MoPSC Case/Tracking No.</u>
implements the FCC's USF/ICC, Lifeline and Link Up Reform and Modernization, and USTelecom Forbearance Orders;	IK-2017-0157
adds rates and provisions related to Transit Traffic Services;	
modifies certain provisions related to Termination of Agreement After Initial Term Expiration;	
modifies certain provisions related to Customer Information Services; and	
replaces the Notices provisions	

We would respectfully request the Commission's acceptance of this filing and its expeditious approval of the parties' amendment to their interconnection agreement.

Please contact me if there are questions or if additional information is needed. Thank you for your assistance.

Very truly yours,

A handwritten signature in blue ink, appearing to read "Leo M".
