RE: Selection of Missouri Successor Agreement

Dear Ron P. Johnson:

This letter is to advise you that the Most Favored Nations ("MFN") Short Form for CenturyTel Solutions, LLC to sign pursuant to our Memorandum of Understanding ("MOU") is now available on the CLEC Online web site. The MFN Short Form may be accessed from the following URL: <https://clec.sbc.com/clec/shell.cfm?section=2487>.

Conforming successor Interconnection Agreements have been filed by the Parties in the successor Missouri 271 Agreement ("M2A") proceedings and those successor agreements been posted by SBC Missouri on the CLEC Online web site. The first successor agreement approved by the Missouri Public Service Commission ("Commission"), by its order issued August 5, 2005, was the SBC Missouri/Sprint Interconnection Agreement. Pursuant to the terms of our MOU, CenturyTel Solutions, LLC has "ten (10) business days after the issuance of the decision of the Commission approving the first successor agreement" (i.e., until August 19, 2005), to choose which of those successor agreements approved by the Commission that CenturyTel Solutions, LLC wishes to adopt for purposes of its successor agreement upon termination of the M2A. If you do not adopt one of the approved successor agreements, the MOU further provides that you "will be deemed to have selected the first approved successor agreement."

To the extent that you have not already done so, please make your successor agreement selection by printing your specific MFN Short Form located on CLEC Online, making your Intercarrier Compensation selection, signing, and faxing the executed MFN Short Form to SBC Missouri (fax no. 1-800-404-4548) no later than 5 p.m. C.S.T. on Friday, August 19, 2005. If your signed selection is not received by SBC Missouri on or before that time, you will be deemed to have chosen the SBC Missouri/Sprint Interconnection Agreement as your successor agreement; provided, however, this shall not foreclose CenturyTel Solutions, LLC from subsequently submitting a request to SBC Missouri to adopt an alternate successor agreement pursuant to Section 252(i) of the Act, which would be handled via the standard MFN process.

Upon receipt of the executed MFN Short Form, SBC Missouri will countersign the MFN Short Form and will return a copy of the fully executed signature page(s) to you for your files. SBC Missouri will then file our fully executed MFN Short Form for purposes of our successor agreement under the terms of 4 CSR 240-3.513. Where no signature page has been received from a CLEC, SBC Missouri will file the MFN Short Form executed by SBC Missouri only under subpart (b) of that same rule to reflect that CLEC is deemed to have adopted the SBC Missouri/Sprint Interconnection Agreement as its successor agreement.

Please contact your SBC Account Manager with any questions.

Sincerely,

Notices Manager

1. Incorporation of Recitals and Separate Agreement by Reference

- 1.1 The foregoing Recitals are hereby incorporated into and made a part of this MFN Agreement.
- 1.2 Except as expressly stated herein, the MFN Agreement, including any and all applicable Appendices, Schedules, Exhibits, Attachments and Commission approved Amendments thereto, are incorporated herein by this reference and form an integral part of the MFN Agreement.

2. Modifications to Separate Agreement

- 2.1 References in the Separate Agreement to "CLEC" or to "Other" shall for purposes of the MFN Agreement be deemed to refer to CLEC.
- 2.2 References in the Separate Agreement to the "Effective Date," the date of effectiveness thereof and like provisions shall for purposes of this MFN Agreement be deemed to be the date this fully executed Short Form is filed with the Commission (the "Effective Date"). In addition, this MFN Agreement shall expire on the original expiration date of the underlying Separate Agreement.
- 2.3 The Notices Section in the Separate Agreement is hereby revised to reflect that Notices should be sent to CLEC under this MFN Agreement at the following address:

2.5 Intercarrier Compensation Options¹

2.5.1 For CLECs that Select a Separate Agreement in Section 2.4 above other than the MCI or XO Separate Agreements, CLEC hereby elects the Intercarrier Compensation Choice it desires for purposes of its MFN Agreement by placing "X" next to its chosen Intercarrier Compensation Billing Option immediately below. If CLEC fails to designate one of the Intercarrier Compensation Billing Options below, the default Intercarrier Compensation Option set forth in the Separate Agreement chosen by CLEC in Section 2.4 above shall automatically apply upon the Effective Date of this MFN Agreement.

Designate Choice with X	Option Number	Description
	Option 1	Contract Rates for Section 251(b)(5) Traffic and FCC's Interim ISP Terminating Compensation Plan rate for ISP-Bound Traffic
X	Option 2	All ISP-Bound Traffic and All Section 251(b)(5) Traffic at the FCC's ISP Terminating Compensation Plan Rate
	Option 3	Long-term local Bill and Keep as the reciprocal compensation arrangement for Section 251(b)(5) Traffic and ISP-Bound Traffic

2.5.2 For CLECs that Select the MCI or XO Separate Agreement, the MCI and XO Separate Agreements respectively, each incorporate, and are subject to, an Amendment Superseding Certain Reciprocal Compensation, Interconnection and Trunking Terms (the "Amendment"). Accordingly, if CLEC elected to adopt the MCI or XO Separate Agreement in Section 2.4 above, CLEC shall affirmatively indicate with an "X" below if it wishes to also take the MCI or XO Amendment, as applicable, in connection with its MFN Agreement, according to its terms.

¹ Please note that in the event that CLEC has an existing 13-State Superseding Reciprocal Compensation Amendment in place with the SBC ILECs, it shall file such Amendment, along with the Short Form, with the Commission to ensure that this successor MFN Agreement on file with the Commission is complete.

(CLEC should leave blank and not check the Option below if it does not wish to adopt the Amendment for purposes of its MFN Agreement). If CLEC does not indicate with an "X" immediately below that it wishes to take the MCIm or XO Amendment in conjunction with its adoption of the MCIm or XO Separate Agreement, as applicable, then the Intercarrier Compensation Option that shall apply to CLEC is the Intercarrier Compensation Option set forth in the underlying MCIm or XO Separate Agreement (i.e., Contract Rates for Section 251(b)(5) Traffic and FCC's Interim ISP Terminating Compensation Plan rate for ISP-Bound Traffic). In such case, the Parties' MFN Agreement is hereby deemed modified to delete any and all references to the Amendment Superseding Reciprocal Compensation, Interconnection and Trunking Terms from such ICA.

_____ CLEC has elected to adopt the MCIm Separate Agreement in Section 2.4 above and hereby affirmatively elects to adopt the MCIm Amendment in conjunction with its adoption of the Separate MCIm Agreement for purposes of this MFN Agreement.

_____ CLEC has elected to adopt the XO Separate Agreement in Section 2.4 above and hereby affirmatively elects to adopt the XO Amendment in conjunction with its adoption of the Separate XO Agreement for purposes of this MFN Agreement.

3. Clarifications

- 3.1 In entering into this MFN Agreement, the Parties acknowledge and agree that neither Party is waiving, and each Party hereby expressly reserves, any of its rights, remedies or arguments it may have at law or under the intervening law or regulatory change provisions in this MFN Agreement (including intervening law rights asserted by either Party via written notice as to the Separate Agreement), with respect to any orders, decisions, legislation or proceedings and any remands by the FCC, state utility commission, court, legislature or other governmental body including, without limitation, any such orders, decisions, legislation, proceedings, and remands which were issued, released or became effective prior to the Effective Date of this MFN Agreement, or which the Parties have not yet fully incorporated into this Agreement or which may be the subject of any associated appeal and/or further government review.¹
- 3.2 It is SBC Missouri's position that this MFN Agreement (including all attachments thereto) and every Interconnection, service and network element provided hereunder, is subject to all rates, terms and conditions contained in the MFN Agreement (including all attachments/appendices thereto), and that all of such provisions are integrally related and non-severable.

¹ To the extent CLEC elected to adopt the MCIm or XO Separate Agreement in Section 2.4 above and elected to take as part of its MFN Agreement the MCIm or XO Amendment, as applicable, or CLEC currently has its own 13-State Superseding Reciprocal Compensation Amendment in place with the SBC ILECs, nothing in this paragraph is intended or should be construed as modifying or superseding the rates, terms and conditions in the Parties' Amendment Superseding Certain Compensation, Interconnection and Trunking Provisions ("Superseding Amendment"), in which the Parties waived certain rights they may have under the Intervening/Change in Law provisions(s) in the Agreement with respect to any reciprocal compensation or Total Compensable Local Traffic (as defined in the Superseding Amendment), POIs or trunking requirements that are the subject of the Superseding Amendment for the term of such Amendment.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed as of this 18
day of August, 2005.

Please note that CLEC previously agreed to adopt, pursuant to the provisions of Section 252(i) of the Act, one of the M2A successor Separate Agreements approved by the Commission in the M2A successor docket(s) no later than 10 business days after the issuance of the decision of the Commission approving the first successor Separate Agreement. The first successor Separate Agreement approved by the Commission was the Sprint Communications Company, L.P. Separate Agreement on August 5, 2005. Therefore, please note that it is important for CLEC to provide accurate and complete information in a timely manner. The failure to do so may result in return of this Short Form to CLEC and a delay in the processing of CLEC's MFN Agreement. If CLEC fails to provide this executed and completed Short Form to SBC Missouri before August 19, 2005, CLEC will be deemed to have selected the Sprint Communications Company, L.P. Separate Agreement.
