Subject: Dogwood comments on chapter 22 rules

Attached for staff's consideration are Dogwood's suggested changes to the various sections of chapter 22, plus a version of the Oklahoma competitive bidding rules that we submitted during the workshop conformed for use in Missouri. We hope these comments will prove helpful in moving this process forward.

We would be happy to try to meet with staff in advance of the next sessions to discuss these comments, if staff would find that helpful. Note that we will not be able to attend in person on July 30-31, but will be calling in.

Feel free to contact me if you have an questions.

Thank you

Carl Lumley
