Judge Burton:

I am reaching out to you regarding the acquisition case between Elm Hills and Missouri Utilities. Staff sent several data requests and has received responses to many of the requests made of Elm Hills, however, we have not received a response to the requests sent to Missouri Utilities, due December 28, 2016. Jacob and I as the attorneys on this matter, reached out to Mr. Gary Cover of Elm Hills twice. We were told we would have responses by Monday January 9, 2017, but we have received no further contact.

Please advise as to how we might handle this situation going forward.
