STAFF'S OCTOBER 2015 STATUS REPORT

COMES NOW, the Staff of the Missouri Public Service Commission, and for its October 2015 *Status Report* relates that undersigned counsel because of other cases pending at the Commission and administrative matters was not able to submit to The Empire District Electric/Gas Company ("Empire") and the Office of the Public Counsel ("Public Counsel"), copies of a further draft of a revision of the cost allocation manual ("CAM") that the Staff had previously submitted to Empire and Public Counsel nor schedule a meeting at a mutually convenient location to discuss the draft as is planned. Staff counsel believes said draft should be available for submission to Empire and Public Counsel soon. As previously noted, the revision that the Staff has been working on is intended to reflect a meeting among the Staff and Empire (at Empire's offices in Joplin) and Public Counsel (participating by speakerphone), and Empire's responses to various Staff Data Requests. Undersigned counsel apologizes for the delay.

WHEREFORE, the Staff submits its October 2015 *Status Report*.

Respectfully submitted,

/s/ Steven Dottheim
