Case No. EO-2008-0134

ORDER GRANTING MIDWEST ISO'S APPLICATION TO INTERVENE

Issue Date: November 19, 2007

Effective Date: November 19, 2007

On November 1, 2007, Union Electric Company, d/b/a AmerenUE, filed an application seeking authority to continue the control of its transmission system by the Midwest Independent Transmission System Operator, Inc. (Midwest ISO). The Commission provided notice of the filing to potentially interested parties and established November 30 as an intervention deadline.

Midwest ISO filed an application to intervene on November 6. No party has objected to that application to intervene.

The Commission finds that Midwest ISO's interest in this case is different from that of the general public, and may be adversely affected by a final order arising from this case. Furthermore, the Commission finds that allowing Midwest ISO to intervene will serve the public interest. Therefore, in accordance with 4 CSR 240-2.075(4), the Commission will grant the application to intervene.

IT IS ORDERED THAT:

1. The Application to Intervene of the Midwest Independent Transmission System Operator, Inc. is granted.

2. This order shall become effective on November 19, 2007.
