Issue Date: January 12, 2010

Effective Date: January 12, 2010

On November 19, 2009, Union Electric Company d/b/a AmerenUE filed an application seeking authority to manage its nitrogen oxide emission allowances inventory using any and all available trading structures as outlined in the application. The Commission ordered its Staff to file its recommendation regarding that application no later than January 11, 2010. On January 11, Staff filed a motion stating that it is involved in on-going discussions with AmerenUE and asking to be allowed until January 19 to file a pleading indicating when it will be able to file its recommendation.

The Commission will grant Staff’s motion.

**THE COMMISSION ORDERS THAT:**

1. The Commission’s Staff shall file a pleading no later than January 19, 2010, indicating when it will be able to file its recommendation regarding the Application of Union Electric Company d/b/a AmerenUE to Manage its Nitrogen Oxide Emission Allowance Inventory.

2. This order shall become effective immediately upon issuance.
