RE: *Final Orders of Rulemaking*

Dear Daniel:

This office has received your Final Order of Rulemaking to amend 4 CSR 240-40.030 Transportation of Gas by Pipeline.

Executive Order 17-03 requires this office's approval before state agencies release proposed regulations for notice and comment, amend existing regulations, rescind regulations, or adopt new regulations. After our review of this rulemaking, we approve the rule's submission to the Joint Committee on Administrative Rules and the Secretary of State.

Sincerely,

A handwritten signature in black ink, appearing to read "Jessie Eiler".

**Title 4 – DEPARTMENT OF ECONOMIC DEVELOPMENT  
Division 240 – Public Service Commission  
Chapter 3 – Filing and Reporting Requirements**

**ORDER OF RULEMAKING**

By the authority vested in the Public Service Commission under sections 386.250, 386.310, and 393.140, RSMo 2016, the commission rescinds a rule as follows:

**4 CSR 240-40.030 Safety Standards – Transportation of Gas by Pipeline is amended.**

A notice of proposed rulemaking containing the proposed rule amendment was published in the *Missouri Register* on July 16, 2018 (43 MoReg 1583-1595). No changes have been made in the proposed amendment so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the Code of State Regulations.

**SUMMARY OF COMMENTS:** The public comment period ended August 15, 2018, and the commission held a public hearing on the proposed rule on August 20, 2018. The commission received timely written comments in support of the rescission from the staff of the commission and comments at the hearing in support of the rescission from Jeff Keevil, Deputy Counsel, on behalf of the staff of the commission, and Hampton Williams, Public Counsel, on behalf of the Office of the Public Counsel.

**COMMENT #1:** Mr. Keevil on behalf of the staff of the commission filed general comments supporting the amendment of this rule. Mr. Keevil stated that this rulemaking was undertaken in response to Executive Order 17-03 and is being proposed in order to consolidate, streamline, and improve the user-friendliness of the commission's regulations.

**RESPONSE:** The commission appreciates its staff's dedication to improving the regulatory process at the commission and in the state of Missouri. No change was made as a result of this comment.

**COMMENT #2:** Mr. Williams on behalf of the Office of the Public Counsel commented at the hearing in support of amending this rule. Mr. Williams also provided a letter to the commission suggesting that the commission pursue a legislative exemption from the provisions of section 536.031, RSMo, that would allow the commission to amend the gas safety regulations contemporarily with changes at the federal level.

**RESPONSE:** The commission thanks the Office of the Public Counsel for its participation and will consider its suggestion. No change was made as a result of this comment.
