In The Matter of a Training Advisory Group to)
Address the Training Needs of Union Electric)
Company, d/b/a Ameren Missouri.)

File No. EO-2012-0108

ORDER CREATING A TRAINING ADVISORY GROUP

Issue Date: October 12, 2011

Effective Date: October 12, 2011

In its Report and Order issued in Union Electric Company, d/b/a Ameren Missouri's most recent rate case, File No. ER-2011-0028, the Commission stated its intent to create a Training Advisory Group to provide input to Ameren Missouri on the design, implementation, and evaluation of the company's additional training programs authorized under that and previous rate case orders.¹ The Commission did not explicitly create the Training Advisory Group in the rate case report and order and on October 6, 2011, the Staff of the Commission and the unions that represent many of Ameren Missouri's workers² filed a joint motion in File No. ER-2011-0028 asking the Commission to establish the promised Training Advisory Group. Rather than issue an additional order in the closed rate case, which is currently under appeal, the Commission has created this case to address the joint motion of Staff and the unions.

The Commission will create the Training Advisory Group it described in its report and order in File No. ER-2011-0028.
