Re: John Maggard, File No. EO-2012-0286

This is in response to the Public Service Commission Order dated March 7, 2012 concerning the above referenced file no. Mr. Maggard had contacted Sac Osage Electric earlier this year requesting service to the motel located just north of Osceola, MO. We informed him that we would serve the motel only with written permission from KCP&L. In the event Mr. Maggard's request is upheld, Sac Osage Electric will extend service at a cost determined by the line extension policy in effect at that time.

Sincerely,

Tom Killebrew, General Manager
