

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Application of KCP&L Greater Missouri Operations Company for Approval to Make Certain Changes in its Charges for Electric Service.)	<u>Case No. ER-2009-0090</u> Tariff No. JE-2009-0193
---	---	--

ORDER SHORTENING TIME FOR RESPONSES

Issue Date: January 9, 2009

Effective Date: January 9, 2009

On January 6, 2009, the Commission issued an order scheduling public comment hearings in this case in St. Joseph on February 23, 2009, and in Nevada on February 25, 2009, and advising that the remaining comment hearings would be scheduled by a subsequent order. On January 9, 2009, KCP&L Greater Missouri Operations Company filed a motion to revise the local hearing schedule. KCP&L GMO requested that the public comment hearings be rescheduled to the first two weeks of March to allow the Company to use its normal billing envelopes to deliver notice of the hearings, and to avoid a conflict with the settlement conference scheduled for February 23-27, 2009.

Because a decision must be made quickly on this motion, the Commission will shorten the time for responses.

THE COMMISSION ORDERS THAT:

1. Responses to KCP&L Greater Missouri Operations Company's Motion to Revise Local Hearing Schedule to Allow for Notice to Customers shall be filed no later than January 14, 2009.

2. This order is effective upon issuance.
