ORDER DIRECTING A FURTHER STATUS REPORT

Issue Date: December 4, 2020

Effective Date: December 4, 2020

A requested status report was filed by Evergy Metro, Inc. and Evergy Missouri West, Inc. (together “Evergy”) on December 4, 2020. It indicated that discussions are actively continuing, and that an agreement among the parties appears possible with additional time. Evergy asks to be allowed until January 8, 2021, to file either an agreement or a further status report.

Evergy states that it contacted the other parties and none objected to this request. Based on the representation of counsel, the Commission will consider the request for additional time unopposed. The Commission finds that the unopposed request for additional time is reasonable and will grant it.

THE COMMISSION ORDERS THAT:

1. The parties shall file an agreement or a further status report no later than January 8, 2021.
2. This order shall be effective when issued.
