File No. EO-2011-0271

ORDER CANCELING CONFERENCE

Issue Date: March 18, 2011

Effective Date: March 18, 2011

The Commission has scheduled a conference on March 22, 2011, regarding Union Electric Company, d/b/a Ameren Missouri's 2011 Integrated Resource Plan (IRP). On March 18, Ameren Missouri filed a motion asking the Commission to cancel that conference.

Ameren Missouri explains the March 22 conference is unnecessary because it has scheduled an extended meeting with all the parties to be held on April 5 and 6. At that meeting, Ameren Missouri intends to walk the parties through the IRP filing and answer questions. Ameren Missouri indicates Staff, Public Counsel, the Missouri Industrial Energy Consumers, the Missouri Energy Group, the Missouri Department of Natural Resources, the Sierra Club and the Natural Resource Defense Council have indicated their support for cancellation of the March 22 conference.

The Commission scheduled a conference because such a conference is required by Commission Rule 4 CSR 240-22.080(4). However, the rule's requirement for a conference will be satisfied by the conference Ameren Missouri has planned for April 5 and 6. Thus, there is no reason to require the parties to attend a superfluous conference at the Commission's office. Therefore, the Commission will grant Ameren Missouri's motion.

If, after the April 5 and 6 conference, any party believes an additional conference is necessary, that party may file an appropriate pleading asking the Commission to schedule such a conference.

THE COMMISSION ORDERS THAT:

1. Union Electric Company d/b/a Ameren Missouri's Motion to Cancel Conference is granted.
2. The conference scheduled for March 22, 2011, is cancelled.
3. This order shall become effective immediately upon issuance.
