Referring to the surrebuttal testimony of Ameren Missouri witness Weiss at page 7, line 18 through page 8, line 3 concerning the "AEP and Wabash contracts," is Mr. Weiss aware that there were more issues with respect to these contracts than just the subject of the margins from these sales? If so, please list those other issues concerning these contracts. If Mr. Weiss is unable or unwilling to state and describe the other issues, please identify the Ameren witness who is able and willing to do so.
