ORDER SCHEDULING PREHEARING CONFERENCE

Issue Date: March 7, 2012

Effective Date: March 7, 2012

On October 28, 2011, the Staff of the Commission filed a prudence report and recommendation regarding its review of costs related to Union Electric Company, d/b/a Ameren Missouri's Fuel Adjustment Clause. Staff recommends the Commission find that Ameren Missouri was imprudent in not including all costs and revenues associated with certain off-system sales of energy in determining associated fuel adjustment clause charges. As a result of this alleged imprudence, Staff recommends the Commission order Ameren Missouri to refund money, plus interest accrued after May 31, 2011, to its customers through an adjustment to its fuel adjustment clause charge. On November 7, 2011, and again on March 7, 2012, Ameren Missouri filed timely requests for hearings.

So that this matter may be promptly resolved, the Commission will schedule a prehearing conference to discuss a procedural schedule.
