**ORDER GRANTING THE APPLICATION TO INTERVENE OF
AARP**

Issue Date: September 2, 2009

Effective Date: September 2, 2009

On July 24, 2009, Union Electric Company, d/b/a AmerenUE, filed a tariff designed to increase its annual revenues for electric service. The Commission suspended that tariff and established August 17 as the deadline for interested parties to apply to intervene.

AARP applied to intervene on August 12. AARP is a nonpartisan, nonprofit membership organization that advocates for people who are 50 years of age and older. More than ten days have passed since AARP applied to intervene and no party has objected to that application.

The Commission finds that the interest of AARP in this case is different from that of the general public, and may be adversely affected by a final order arising from this case. Furthermore, the Commission finds that allowing AARP to intervene will serve the public interest. Therefore, in accordance with Commission Rule 4 CSR 240-2.075(4), the Commission will grant the application to intervene.

THE COMMISSION ORDERS THAT:

1. The Application to Intervene by AARP is granted.
2. This order shall become effective immediately upon issuance.
