

**STATE OF MISSOURI
PUBLIC SERVICE COMMISSION**

At a session of the Public Service
Commission held at its office in
Jefferson City on the 2nd day of
September, 2009.

In the Matter of Union Electric Company, d/b/a)	<u>File No. ER-2010-0036</u>
AmerenUE's Tariffs to Increase Its Annual)	Tariff Nos. YE-2010-0054
Revenues for Electric Service)	and YE-2010-0055

**ORDER GRANTING THE APPLICATION TO INTERVENE OF
THE MISSOURI RETAILERS ASSOCIATION**

Issue Date: September 2, 2009

Effective Date: September 2, 2009

On July 24, 2009, Union Electric Company, d/b/a AmerenUE, filed a tariff designed to increase its annual revenues for electric service. The Commission suspended that tariff and established August 17 as the deadline for interested parties to apply to intervene.

The Missouri Retailers Association applied to intervene on August 14. The Retailers Association is a not-for-profit association dedicated to serving the needs of retailers and grocers and their distribution facilities statewide. Some of its members are served by AmerenUE and rely on dependable electric service at reasonable rates. More than ten days have passed since the Retailers Association applied to intervene and no party has objected to that application.

The Commission finds that the interest of the Retailers Association in this case is different from that of the general public, and may be adversely affected by a final order arising from this case. Furthermore, the Commission finds that allowing the Retailers Association to intervene will serve the public interest. Therefore, in accordance with

Commission Rule 4 CSR 240-2.075(4), the Commission will grant the application to intervene.

THE COMMISSION ORDERS THAT:

1. The Application to Intervene by the Missouri Retailers Association is granted.
2. This order shall become effective immediately upon issuance.
