STAFF RESPONSE

COMES NOW, the Staff of the Missouri Public Service Commission ("Staff") and for its *Staff Response* states as follows:

1. On March 6, 2012, John Maggard filed an application with the Missouri Public Service Commission ("Commission") requesting that his electric supplier to the structure located at 3699 NE Hwy 13, Osceola, Missouri, be changed from Kansas City Power & Light Company¹ ("KCP&L") to SAC Osage Electric Cooperative, Inc., ("SAC Osage"). SAC Osage stated that it would agree to serve the structure only upon written consent from KCP&L. Kansas City Power & Light--Greater Missouri Operations ("GMO") responded identifying itself as the supplier to Mr. Maggard's structure, and objecting to the application. The Staff of the Commission also objected, so the Commission scheduled a prehearing conference in an effort to move the case toward hearing.

2. On June 11, GMO filed written consent with the Commission, stating that it now agrees to SAC Osage serving the structure, noting "that this change of supplier must include the currently active [GMO] account at the same location." GMO states that no issues remain in dispute, and that the Commission should cancel the prehearing conference.

¹ In its' April 5, 2012 filing, KCP&L Greater Missouri Operations Company ("GMO") or identified itself as Mr. Maggard's current electric service provider.

3. In light of GMO's consent, the Commission ordered Staff to file an Amended Recommendation, or, in the alternative a pleading stating when it would file its Amended Recommendation, by June 19, 2012.

4. Staff will be able to file its Amended Recommendation by June 29, 2012.

WHEREFORE, Staff requests leave until June 29, 2012, to file its Amended Recommendation.

Respectfully submitted,

/s/ Meghan E. McClowry
