For Approval, as Necessary, of the Adoption)
of the d/b/a One Communications)

APPLICATION

Computer Telephone Corp., (the "Company"), an authorized telecommunications carrier in Missouri¹, hereby respectfully requests authority from the Public Service Commission ("Commission") for approval of its adoption of a fictitious name for use in Missouri. The Company requests approval for the adoption of the d/b/a "One Communications."

As the Commission is aware, CTC Communications Group, Inc. has merged with and into One Communications Corp. (f/k/a Choice One Communications Inc.), with One Communications Corp., the ultimate parent of the Company, surviving the merger. This change in control did not involve the transfer of operating authorities, assets or customers – the Company will continue to offer the same services at the same rates, terms and conditions. However, in order to integrate the operations of the Company and its affiliates, and to avoid customer confusion, the Company and its affiliates have each adopted a d/b/a using the "One Communications" name. The adoption of this d/b/a by the Company and its affiliates will also enhance their ability to market their services, thereby benefiting consumers in Missouri.

¹ The Company is authorized to provide interexchange telecommunications services pursuant to the authority granted in Case No. TA-97-142, dated November 13, 1996.

A copy of the authorization from the Secretary of State for the Company to use the approved d/b/a is appended hereto as *Exhibit A*.

Appended hereto as *Exhibit B* is a copy of the Company's proposed tariff revised to reflect the fictitious name. The Company will submit the final tariff upon approval of the name adoption. Please note that nothing substantive has changed in the tariff; the only change is the addition of the Company's fictitious name. Regarding customer notice, customers of the Company will receive written notice of the fictitious name through a bill notification. Both the Company name and the fictitious name will appear on the billing statements for a period of two months. To the extent that any customers have questions about the fictitious name appearing on their bills, the Company will respond to such inquiries individually.
