ORDER DIRECTING DATA CENTER TO REMOVE CERTAIN EXTRANEOUS DOCUMENTS FROM EFIS

Issue Date: March 26, 2010

Effective Date: March 26, 2010

During the course of the evidentiary hearing, three extraneous documents were filed in EFIS. These three documents purport to be testimony or exhibits but in fact were not offered, and were not received into evidence. Their continued presence in EFIS would confuse the record. Therefore, the Commission will direct its data center to remove those documents.

THE COMMISSION ORDERS THAT:

1. The Commission's data center shall remove the following documents from EFIS:

Item No. 589, filed 3/26/2010 – Amended Surrebuttal Testimony of Stephen M. Rackers.

Item No. 547, filed 3/22/2010 – Jefferson City Local Public Hearing – Exhibit No. 2 – Hilltop Solutions Web Page. (Please note, only this item number, which is an exhibit marked for the evidentiary hearing by Staff, should be removed. The same exhibit entered into EFIS as part of the local public hearing shall remain in EFIS).

Item No. 544, filed 3/22/2010 – Exhibit No. 226 – Deposition of Julie M. Cannell.

2. This order shall become effective immediately upon issuance.
