**ORDER APPROVING FUEL ADJUSTMENT CLAUSE TRUE-UP**

Issue Date: August 17, 2023

Effective Date: September 1, 2023

On June 30, 2023, Evergy Missouri West, Inc. d/b/a Evergy Missouri West (“the Company”) filed a request for approval of a true-up amount related to the company’s fuel adjustment clause (FAC), as provided by Commission Rule 20 CSR 4240-20.090(9). The true-up filing concerns billing months March 2022 through February 2023, which are designated Recovery Period 29 (RP29). The Company’s filing indicates during that period it over-collected \$384,458 from customers. However, also included in the true-up filing was a settlement amount per a *Non-Unanimous Stipulation and Agreement* filed on June 21, 2023, in the Company’s Accumulation Period (AP) 31 Fuel Adjustment Rate (FAR) case – File No. ER-2023-0210. During AP31, there was \$85,420,087 in costs deferred to future filings. Per the *Non-Unanimous Stipulation and Agreement*, \$45,262,522 is to be carried over to the AP32 FAR and the remaining \$40,157,565 will be included in the AP33 FAR. Thus, the FAC amount for which the Company seeks Commission approval is \$44,878,064 – the RP29 over-recovery amount of \$384,458, offset by the AP31 adjustment of \$45,262,522.

On July 31, 2023, the Staff of the Commission (Staff) recommended the Commission approve the Company's true-up filing amount of \$44,878,064. Staff determined that the Company's calculations for the true-up amounts for RP29, including the calculation of monthly interest, are correct. Staff also agreed with the AP31 adjustment of \$45,262,522.

The Commission finds that, while the true-up amount for RP29 is a component of the tariff sheet proposed in File No. ER-2023-0444, approval of the true-up amount neither constitutes nor requires approval of the Company's proposed tariff sheet assigned Tracking No. JE-2023-0229. Based on the Company's uncontested filing and Staff's review and recommendation, the Commission concludes that the Company's true-up amount should be approved. Because this true-up amount is used as an element in calculating the interim FAR in File No. ER-2023-0444, the Commission finds it reasonable to make this order effective in less than 30 days. The tariff sheet will be addressed by proceedings in File No. ER-2023-0444.

**THE COMMISSION ORDERS THAT:**

1. Evergy Missouri West's true-up amount of \$44,878,064 for Recovery Period 29 is approved.
2. This order shall be effective on September 1, 2023.
