## NOTICE OF CORRECTION

Issue Date: November 6, 2013

On November 6, 2013, the Commission issued an *Order Directing Filing and Setting Deadline* in File No. EO-2014-0128. The order incorrectly stated that Kansas City Power & Light Company ("KCP&L") would be requesting a two-year suspension of the meter testing requirement in the Commission's order in EO-91-224. Since KCP&L expects the meter exchange project to last through 2016, it is requesting a three-year suspension (from January 1, 2014 through December 31, 2016).
