TO INTERVENE

COMES NOW Kansas City Power & Light Company ("KCP&L") by and through its counsel and pursuant to 4 CSR 240-2.075 applies to intervene in the above-entitled matter. In support of its application, KCP&L alleges and states:

1. KCP&L is a corporation organized and existing under and by virtue of the laws of the State of Missouri, with its principal office at 1201 Walnut, Kansas City, Missouri 64106-2124. KCP&L's Certificate of Good Standing was provided in Case No. EF-2002-315 and is incorporated herein by reference.

2. KCP&L holds Certificates of Convenience and Necessity from the Commission to transact business as an electric public utility in certain areas of the State of Missouri and is principally engaged in the generation, transmission, distribution and sale of electric power and energy.

No annual report or assessment fees are overdue.

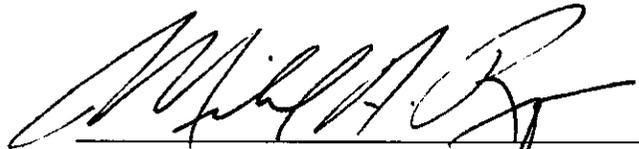

6. KCP&L requests leave to intervene in the above-entitled matter.

7. The transmission line to be constructed by Aquila, Inc. ("Aquila") will run through territory served by KCP&L and will interconnect with KCP&L electric transmission facilities through Aquila's Martin City Substation.
