MOTION FOR EXTENSION OF TIME

COMES NOW the Staff of the Missouri Public Service Commission, by and through the undersigned counsel, and for its *Motion for Extension of Time* hereby states:

1. On February 22, 2018, Union Electric Company d/b/a Ameren Missouri filed an application and accompanying tariff sheets seeking approval of two new tariffed programs, collectively referred to as the “Charge Ahead” program. The application also seeks approval of modifications to Ameren Missouri’s existing distribution system extension procedures, variances from portions of the Commission’s regulations regarding promotional practices, and the request for an accounting authority order for the Charge Ahead program. The proposed tariffs have an April 23, 2018, effective date.

2. On February 23, 2018, the Commission ordered Staff to file a recommendation regarding the Application, Request for Variance, and Request for Accounting Authority no later than March 23, 2018.

3. Staff has a technical meeting with Ameren Missouri scheduled on March 23, 2018 to discuss the requests made in this case.

4. Staff also has a number of data requests that are not required to be answered until after the March 23, 2018, recommendation deadline.

5. Because Staff hopes to gain additional information at the technical meeting on March 23, 2018, and in response to its data requests, respectfully requests an extension of time to file no later than April 3, 2018.

WHEREFORE, Staff respectfully submits its *Motion for Extension of Time* for the Commission's consideration and requests the Commission grant Staff an extension to file its *Report* no later than April 3, 2018.

Respectfully submitted,

/s/ Marcella L Forck
