In the Matter of Evergy Missouri West, Inc. d/b/a)	
Evergy Missouri West's 2021 Triennial Compliance)	File No. EO-2021-0036
Filing Pursuant to 20 CSR 4240-22	

EVERGY MISSOURI METRO'S AND EVERGY MISSOURI WEST'S NOTICE REGARDING THEIR MOTION FOR A VARIANCE TO EXTEND TIME TO FILE RESOURCE PLANS

COMES NOW, Evergy Metro, Inc. d/b/a Evergy Missouri Metro ("Evergy Missouri Metro") and Evergy Missouri West, Inc. d/b/a Evergy Missouri West ("Evergy Missouri West")(collectively "Evergy" or the "Companies") and, in support of their *Motion for a Variance To Extend Time to File Resource Plans* ("Extension Request") filed in this docket on March 2, 2021, the Companies state as follows:

- 1. On March 2, 2021, the Companies filed their Extension Request pursuant to 20 CSR 4240- 22.080(13) to file their respective resource plans, currently due to be filed on April 1, 2021.
- 2. As indicated in the Extension Request, given the recent extreme cold weather events, Evergy is running additional scenarios to include in its resource plan modeling. The Companies wish to discuss these scenarios with stakeholders before filing its resource plans. The recent extreme weather event is also the reason why this variance request was not filed twelve months before April 1, 2021 as specified in the above cited rule.
- 3. In its Extension Request, the Companies also indicated that counsel for all of the parties to these dockets, with the exception of IBEW 412, had indicated that they do not oppose

this request and that IBEW 412 had not responded to the Companies inquiries regarding this extension.

4. IBEW 412 has now indicated that they do not oppose the Extension Request.

WHEREFORE, Evergy Missouri Metro and Evergy Missouri West respectfully request that the Commission allow additional time to file their respective Resource Plans.

Respectfully submitted,

|s| Robert J. Hack
