**STAFF’S RESPONSE TO COMMISSION’S JUNE 23, 2006 ORDER**

COMES NOW the Staff (“Staff”) of the Missouri Public Service Commission (“Commission”) and respectfully states as follows:

1. On June 22, 2006, the Staff filed a pleading requesting, among other things, that the Commission open a docket for purposes of considering the possible adoption of the newly enacted §111(d)(15) Interconnection Standard of the Public Utility Regulatory Policies Act of 1978, as required by §1254 of the Energy Policy Act of 2005. Attached as Appendix A to that pleading was a list of persons or entities to which the Staff’s pleading was e-mailed.

2. On June 23, 2006, the Commission issued an Order that, in relevant part, directed the Staff “to submit a recommendation as to if any other party should be notified about this action no later than June 28, 2006.”

3. It is the Staff’s understanding that a copy of the Commission’s Order has been mailed to all of the persons/entities listed in Appendix A to the Staff’s pleading. The Staff believes that one person in addition to those identified in its pleading should receive a copy of the Commission’s Order; namely:

Paul W. Phillips  
U.S. Department of Energy  
1000 Independence Ave., S.W.  
Room 6D-033  
Washington, DC 20585  
paul.phillips@hq.doe.gov

On or before June 29, 2006, the Staff will mail Mr. Phillips a copy of the Staff's June 22, 2006 pleading, the Commission's June 23, 2006 Order, and this pleading.

WHEREFORE, the Staff respectfully submits its Response to the Commission's June 23, 2006 Order.

Respectfully submitted,

**/s/ Dennis L. Frey**

Dennis L. Frey  
Senior Counsel
