COMES NOW the Consumers Council of Missouri (“Consumers Council” or “CCM”), by and through counsel, pursuant to Commission Rule 4 CSR 240-2.075, and respectfully applies for intervention as a party to the in the above-captioned matters. In support of this petition, Consumers Council states as follows:

1. Consumers Council is a non-governmental, nonpartisan, nonprofit corporation that is dedicated to educating and empowering consumers statewide and to advocating for their interests. Consumers Council of Missouri was originally founded in 1971 as Utility Consumers Council of Missouri and has participated in numerous cases at the Missouri Public Service Commission (“Commission”), including several previous Ameren Missouri cases.

2. Consumers Council’s interest in this case is the protection of residential electric consumers through electric rates that are just, reasonable and fair. Consumers Council’s interest is unique in its exclusive focus on residential

consumers, including low-income and vulnerable consumers, and it believes that its intervention in these cases would be in the public interest. Therefore, Consumers Council believes that it should have the opportunity to explore Evergy's plans for future investments to ensure that such plans are prudent and reasonable.

WHEREFORE, Consumers Council respectfully requests formal intervention in these matters for all purposes.
