ORDER SETTING ROUNDTABLE DISCUSSIONS

Issue Date: October 27, 2010

Effective Date: October 27, 2010

On August 5, 2010, the Commission established this working file to explore possible resolutions to the issue of geographic sourcing in the Renewable Energy Standard (RES) Law by developing legislative or regulatory options that would promote the development of renewable energy in the state of Missouri while protecting retail customers. Comments were received from many stakeholders and the Commission now will set three dates for roundtable discussions.

Participants should come to the roundtables prepared to discuss concrete solutions for the geographic sourcing issues. In addition, the participants are encouraged to bring to the meeting, draft legislative or regulatory proposals they believe would resolve these issues.

THE COMMISSION ORDERS THAT:

1. The initial roundtable will be held on November 8, 2010, beginning at 9:30 a.m. in the Governor Office Building, 200 Madison Street, Room 310, Jefferson City, Missouri.

2. The second roundtable will be held on November 22, 2010, beginning at 9:30 a.m. in the Governor Office Building, 200 Madison Street, Room 450, Jefferson City, Missouri.

3. The third roundtable will be held on December 7, 2010, beginning at 9:30 a.m. in the Governor Office Building, 200 Madison Street, Room 310, Jefferson City, Missouri.

Any person who needs specific accessibility accommodations may call the Public Service Commission's Hotline at 1-800-392-4211 (voice) or Relay Missouri at 711 prior to the date of the roundtable.

5. This order shall become effective immediately upon issuance.
