ORDER CLOSING FILE

Issue Date: July 14, 2010

Effective Date: July 14, 2010

On June 17, 2010, the Commission consolidated this file with Files Numbers ER-2010-0355 and ER-2010-0356, the current rate request proceedings from Kansas City Power & Light Company and KCP&L Greater Missouri Operations Company. On July 7, 2010, the Commission issued a finding in relation to this investigatory docket. That order is the last formal action to be taken in this matter.

Contested case proceedings are now in play in the two rate requests and the files in this investigatory docket have been merged with those two matters. Therefore, the Commission will close this file.

THE COMMISSION ORDERS THAT:

1. This file shall be closed.
2. All future filings related to the construction and prudence audits of Iatan I and Iatan II shall be submitted to Files Numbers ER-2010-0355 and ER-2010-0356.

3. This order shall become effective immediately upon issuance.
