**NOTICE OF CONFERENCE CALL TO DISCUSS PRESENTATIONS
REGARDING IRP RULE REVISIONS**

August 19, 2009

The Public Service Commission has scheduled a public meeting for August 31, 2009, at which interested parties may make presentations to the Commission regarding their views on how the Commission's Integrated Resource Planning (IRP) regulation should be revised. The Commission's Staff has asked the Commission to conduct a conference call to discuss the schedule and procedures for the August 31 meeting.

The Commission believes that such a preliminary conference would be helpful, and has scheduled a conference call for August 25, 2009, beginning at 11:00 a.m. and continuing no later than 1:00 p.m. Anyone who wants to participate in the conference call may do so by calling 526-6012, or toll-free at 866-630-9353. The conference call can accommodate a maximum of 30 callers.

This will be an informal discussion only and will not be transcribed.
