**ORDER SCHEDULING PUBLIC MEETING TO HEAR PRESENTATIONS
REGARDING IRP RULE REVISIONS**

Issue Date: December 9, 2009

Effective Date: December 9, 2009

In the past months, the Public Service Commission's Staff has hosted a series of workshops to consider changes to the Commission's Integrated Resource Planning (IRP) regulations. Those regulations require Missouri's investor-owned electric utilities to analyze their resource plans, resource acquisition strategies, and investment decisions with the intent to provide safe, reliable, and efficient energy services to the public at just and reasonable rates. The Commission is nearing a final decision on the revisions and will schedule a public meeting at which various persons will be given an opportunity to make brief presentations to the Commission regarding their suggestions on how the IRP regulation should be revised.

The meeting and presentations will be transcribed and webcasted so they can be preserved. However, this is still an informal workshop proceeding. The presentations will not be sworn and will not be "on-the-record" as part of any official rulemaking proceeding.

THE COMMISSION ORDERS THAT:

1. A public meeting shall be held on Monday, January 25, 2010, at 8:30 a.m.
2. The meeting shall be held at the Commission's office at the Governor Office Building, Room 310, 200 Madison Street, Jefferson City, Missouri. This building meets accessibility standards required by the Americans with Disabilities Act. If you need additional accommodations to participate in this meeting, please call the Public Service Commission's Hotline at 1-800-392-4211 (voice) or Relay Missouri at 711 before the hearing.
3. Any person that wishes to make a presentation shall notify the presiding officer at morris.woodruff@psc.mo.gov, no later than January 19, 2010.
4. This order shall be effective immediately upon issuance.
