Case No. EO-2006-0495

ORDER GRANTING APPLICATIONS TO INTERVENE

Issue Date: August 2, 2006

Effective Date: August 2, 2006

On June 22, 2006, the Staff of the Missouri Public Service Commission filed a motion requesting that the Commission establish a case, provide notice, set an intervention deadline and schedule an early prehearing conference for the purpose of determining whether to adopt the Fossil Fuel Generation Efficiency Standard established in Section 1251 of the Energy Policy Act of 2005 ("EPAct"). The Commission granted Staff's motion on June 23, 2006.

The following entities filed timely applications to intervene in this matter pursuant to 4 CSR 240-2.075:

Missouri Industrial Energy Consumers ("MIEC")

Union Electric Company d/b/a AmerenUE ("AmerenUE")

Concerned Citizens of Platte County ("CCPC")

Missouri Department of Natural Resources ("MDNR")

Kansas City Power & Light Company ("KCPL")

The requests to intervene establish that each entity has an interest in this case that is different from that of the general public. Furthermore, those interests may be adversely affected by a final order arising from this case. No other party has opposed these applications for intervention in the time allowed by the Commission. Therefore, Commission Rule 4 CSR 240-2.075(4) authorizes the Commission to grant the requests to intervene.

IT IS ORDERED THAT:

1. Missouri Industrial Energy Consumers' Application for Intervention is granted.
2. Union Electric Company d/b/a AmerenUE's Application for Intervention is granted.
3. Concerned Citizens of Platte County's Application for Intervention is granted.
4. Missouri Department of Natural Resources' Application for Intervention is granted.
5. Kansas City Power & Light Company's Application for Intervention is granted.
6. This order shall become effective on August 2, 2006.
