In re: Amendment to Interconnection Agreement By and Between Southwestern Bell Telephone, L.P., d/b/a SBC Missouri and VoiceStream Wireless Corporation

Dear Judge Roberts:

On April 17, 2001, in Case No. TO-2001-489, the Missouri Public Service Commission ("Commission") approved an Interconnection Agreement by and between Southwestern Bell Telephone Company, L.P., d/b/a SBC Missouri ("SBC Missouri") and VoiceStream Wireless Corporation ("VoiceStream"). That Interconnection Agreement became effective on April 27, 2001.

SBC Missouri and VoiceStream recently agreed to an amendment to this Interconnection Agreement, entitled: "Amendment to Interconnection Agreement By and Between Southwestern Bell Telephone, L.P., d/b/a SBC Missouri and VoiceStream Wireless Corporation," which is attached hereto. SBC Missouri and VoiceStream request that you file this Amendment and bring it to the attention of the Commission. This Amendment amends the reciprocal compensation provisions for ISP-bound traffic and Federal Telecommunications Act Section 251(B)(5) Traffic, adopting the FCC's Interim ISP Terminating Compensation Plan. SBC Missouri and VoiceStream are filing this Amendment pursuant to Section 251 and 252 of the Telecommunications Act of 1996.

Thank you in advance. If you have any questions, please do not hesitate to contact me. I can be reached on (314)235-4094.

Very truly yours,

Attachment
