Re: MCImetro Access Transmission Services LLC

Dear Judge Dale:

Please accept for filing, pursuant to 4 CSR 240-3.513(6)(A), the attached fully executed amendment to the MCImetro Access Transmission Services LLC/Southwestern Bell Telephone, L.P., d/b/a AT&T Missouri, Interconnection Agreement:

Amendment Superseding Certain Reciprocal Compensation, Interconnection and Trunking Terms

This amendment is substantively identical to the "Amendment Superseding Certain Reciprocal Compensation, Interconnection and Trunking Terms" that the Commission approved in an order issued October 25, 2005, in Case No. TK-2006-0039 (adding the amendment to MCImetro's prior agreement). The parties now wish to add this amendment to their current agreement (which the MoPSC approved in TK-2006-0050).

Please call me with any questions regarding this filing. Thank you for bringing this matter to the attention of the Commission.

Very truly yours,

Leo J. Bub
