Dear Secretary of the Commission:

Attached for filing pursuant to 4 CSR 240-3.513(6)(A) is an Interconnection Agreement ("ICA") Amendment SBC Missouri and MCImetro Access Transmission Services LLC ("MCIm") have entered into that extends a previously-approved Amendment filed with the Commission on September 8, 2004. The attached Amendment (like the Amendment filed September 8, 2004) amends the ICA for MCIm, as well as the ICAs for Brooks Fiber Communications of Missouri, Inc., MCI WorldCom Communications, Inc., and Intermedia Communications, Inc., which MCIm holds as successor in interest.

The attached Amendment pertains to certain compensation, interconnection and trunking provisions of the MCI CLECs' ICAs. Except for the term, the attached Amendment is identical to what was previously filed with the Commission on September 8, 2004 in the following cases:

MCImetro Access Transmission Services, LLC -	VT-2005-0037
Brooks Fiber Communications of Missouri, Inc. -	VT-2005-0034
MCI WorldCom Communications, Inc. -	VT-2005-0036
Intermedia Communications, Inc. -	VT-2005-0035

The term of the attached Amendment runs from October 1, 2004 through March 31, 2005. A separate filing will be made for a similar amendment that runs from April 1, 2005 through June 30, 2007.

Please call me with any questions regarding this filing.

Very truly yours,
