## ORDER APPROVING INTERCONNECTION AGREEMENT

Issue Date: September 6, 2023

Effective Date: October 6, 2023

This order approves a negotiated Interconnection Agreement between the parties filed by Ozark Telephone Company d/b/a Rally Networks.

On July 26, 2023, Rally Networks filed an application with the Commission for approval of a negotiated Interconnection Agreement (the Agreement) with Teleport Communications America, LLC under the provisions of the Federal Telecommunications Act of 1996 (the Act). Rally Networks is an incumbent local exchange carrier. Teleport Communications America, LLC is a competitive local exchange and interexchange carrier.

Although Teleport Communications America, LLC is a party to the Agreement, it did not join in the application. On August 4, 2023, the Commission issued an order making Teleport Communications America, LLC a party in this case and directing any party wishing to request a hearing to do so no later than August 21, 2023. No requests for hearing were filed.

Under Section 252(e) of the Act, any Interconnection Agreement adopted by negotiation must be submitted to the Commission for approval. The Commission may reject an Agreement if it finds that the Agreement is discriminatory or that it is not consistent with the public interest, convenience and necessity.

On August 22, 2023, the Staff of the Commission (Staff) filed a recommendation. Staff recommends that the Agreement be approved and notes that the Agreement meets the limited requirements of the Act in that it is not discriminatory toward nonparties and is not against the public interest.

The Commission has considered the application, the supporting documentation, and Staff's recommendation. Based upon that review, the Commission finds that the Agreement meets the requirements of the Act in that it does not discriminate against a nonparty carrier and implementation of the Agreement is not inconsistent with the public interest, convenience and necessity.

The application represents that the applicant has not had contact with the Office of the Commission about any substantive issue connected to the filing within 60 days before filing the application. On the basis of that representation, for good cause shown, the Commission will waive application of the pre-filing notice requirements of Commission Rule 20 CSR 4240-4.017(1).

**THE COMMISSION ORDERS THAT:**

1. The Interconnection Agreement between Rally Networks and Teleport Communications America, LLC, filed on July 26, 2023, is approved.
2. The pre-filing notice requirements of Commission Rule 20 CSR 4240-4.017(1) are waived.
3. This order shall become effective on October 6, 2023.
4. This file may be closed on October 7, 2023.
