**ORDER APPROVING STIPULATION AND AGREEMENT REGARDING  
AMEREN MISSOURI'S VOLUNTARY GREEN PROGRAM**

Issue Date: October 3, 2012

Effective Date: October 13, 2012

On September 20, 2012, the Commission's Staff and Union Electric Company d/b/a Ameren Missouri filed a nonunanimous stipulation and agreement regarding Ameren Missouri's Voluntary Green Program. The stipulation and agreement is nonunanimous in that it was not signed by all parties. However, Commission rule 4 CSR 240-2.115(2) provides that other parties have seven days in which to object to a nonunanimous stipulation and agreement. If no party files a timely objection to a stipulation and agreement, the Commission may treat it as a unanimous stipulation and agreement. More than seven days have now passed since the stipulation and agreement was filed and no party has objected. Therefore, the Commission will treat the stipulation and agreement as a unanimous stipulation and agreement.

The effect of the stipulation and agreement is to remove questions regarding the Voluntary Green Program from this rate case. Instead, Ameren Missouri will file a revised Voluntary Green Program tariff with a May 1, 2013 effective date. That tariff filing will

create a new case in which the Commission can address the issues raised by Staff before the effective date of the tariff.

After reviewing the stipulation and agreement, the Commission independently finds and concludes that the stipulation and agreement is a reasonable resolution of the issues addressed by the stipulation and agreement and that such stipulation and agreement should be approved.

**THE COMMISSION ORDERS THAT:**

1. The Nonunanimous Stipulation and Agreement Regarding Ameren Missouri's Voluntary Green Program, filed on September 20, 2012, is approved as a resolution of the issues addressed in that stipulation and agreement. The signatory parties are ordered to comply with the terms of the stipulation and agreement. A copy of the stipulation and agreement is attached to this order.

2. This order shall become effective on October 13, 2012.

**BY THE COMMISSION**
